## Please keep in mind our NO FLIP FLOP rule.

Shoes must have a back on them and fit properly for children's safety while running outside.

*Also, if children do not have socks, they are unable to remove their shoes during the day.*

*It's Sunny outside. We can only apply sunscreen if a sunscreen log is filled out and spray sunscreen is provided.*

I need to continue to remind families that all items that enter the daycare need to be labeled.

Include bottles/ cups, baby food, clothes, jackets, bags and blankets.

*This is a policy as a licensed daycare, and it helps all of us to know whose items are who's so that things along with germs are not shared.*

**Caring for multiple children makes it difficult for staff to label all items and keep track of all items.**

**Toys from home NOT ALLOWED**
